

# REIKI III MASTERSHIP TRAINING

靈氣

Geoff Favaloro  
Centre For Happiness™

## MASTERSHIP TRAINING OFFERS

A comprehensive program in the traditional Usui system of Natural Healing that prepares you to attune others into Reiki, develop personally & build your business practice.

Covers: the essential formal aspects into how Reiki works and also offering a contemporary view of its history and how it fits in with other healing modalities & other 'Reiki systems'.

The training aims to meet your personal and individual needs to develop your psychic and spiritual awareness, in order to truly meet the requirements of the title "Master practitioner".

The training is conducted over a period of 7 - 8 sessions offering the highest possible standards in accord with other teachers around the country.

The "less structured" part of this training program focuses on personal development: to develop psychic and spiritual understandings, as well as building personal confidence and experience.

***This training offers an opportunity to grow and build your confidence to work with and attune others to this beautiful healing energy.***

Mikao Usui  
circa 1920's

## COURSE CONTENT

### STRUCTURED

- Updated modern History and lineage of Usui Reiki.
- Learning some 25+ esoteric healing symbols, including Tera-Mai Reiki, Seichem, Tibetan & Sekhem symbols.
- Learning (and revising) Reiki symbols at depth.
- How to attune level I and II students.
- Learning/revising and conducting different healing treatments—as well as how Reiki fits in with other energy work.
- A focus on how healing works and into the meta-physics of the mind and body.

***A 60 page manual provides full details on the symbols, how to perform attunements, & how to teach others/conduct workshops.***

### LESS STRUCTURED

- A focus on your uniqueness - your skills and abilities.
- Your personal growth and healing issues.
- Exploring your unique healing style and spiritual understandings.
- Building up your confidence & skills in any areas that you require - to be well rounded.
- Opportunity to practice in any workshops being held.

## WHY DO THIS TRAINING?

This training offers a balanced, comprehensive well founded approach, to will equip you with the many tools required for a successful healing and teaching practice.

The training covers an updated modern history of Usui Reiki as well as teaching you some 25+ healing symbols - including Tibetan and Seichem/Sekhem symbols.

All trainees are provided with level I and II manuals, certificates and other resources to empower their practice.

## TRAINING TIME

Training time is over 7- 8 sessions over 8 - 10 weeks, e.g. Saturday's (or another day to suit) for 3 - 4 hours each session. Students are then encouraged to practice to build their skills and build confidence.

At the completion of the training period, a Level III initiation attunement is performed and the level III Master certificate is issued.

## EXPECTED TRAINING OUTCOMES

- Personal & spiritual development in order to become a clearer, more open healing channel.
- The skills to be able to attune others, and to conduct workshops with confidence.
- Know about a broad range of healing issues and be able to adequately answer questions to a standard as is expected from a "Reiki Master Teacher".

## ABOUT THE TRAINER

Geoffrey Favaloro first learned Reiki in 1991 and has been actively teaching all 3 levels since 1996. He has taught hundreds with amazing results. He likes to provide trainees with a broad perspective on healing methods and for trainees to build their intuitive confidence and expertise.

Geoff is a registered Psychologist, speaker, trainer, and author. He uses his skills from traditional psycho-therapy along with psychic & spiritual abilities in his private practice and groups, to empower people to realize their fullest potential, to create fulfilling, happy lives.

As a trained therapist Geoff uniquely offers a Psychological and a metaphysical view of illness/healing. He emphasizes the importance of personal development for trainees.

Geoff is very aware of the growing need for accreditation and standards. He documents all his training and has detailed manuals, that align with the standards of the Australian Reiki Connection (ARC).

Geoff believes that every student that he trains to Mastership level needs to be equipped with a well balanced approach, and best knowledge possible, in order that the quality of their training will be reflected in maintaining the highest possible standards in this area of healing.

*The Centre For Happiness™ was founded with its symbol of the Heart signifying that true happiness is found when we know & live from the love, truth & acceptance of our own Heart.*

## FEES

The usual fee for the training is \$1500. This covers the workbook, all manuals, any other materials and any post training support.

Fees are usually required to be paid at the start of training unless other arrangements are made.

- Fees are tax deductible (as skill training)
- Other deductions may also apply
- Your investment is recouped when you start offering attunements or workshops

Selection for training is usually conducted via a personal interview to discuss suitability and compatibility with the **Centre For Happiness's™** teaching approach.

Training time: 7 - 8 sessions over about 8 - 10 weeks, e.g. Saturday's (or at another mutually convenient day) for 3 - 4 hour sessions.

Training is currently held, one to one, at Suite 7, 10-12 Bertram St., Gardenvale.
